4. Restaurant History

Brisa do Atlántico was fictionally founded in 2018 by a small hospitality team inspired by Vigo's maritime identity and Galicia's tradition of social dining. The original concept was to create a relaxed neighborhood restaurant where local residents, workers, families, and visitors could share a comfortable dining experience without a formal dress requirement. In 2021, the fictional restaurant expanded its takeaway and local delivery operations. In 2023, it introduced an online reservation system and improved its group-booking process. In 2025, the dining room was fictionally renovated to improve accessibility, table spacing, acoustic comfort, and capacity for small group events.

5. Reservations

Reservations are accepted for lunch and dinner. Customers may request a reservation through:

- Telephone
- WhatsApp
- Reservation email
- The fictional online reservation system

A reservation request is not confirmed until the customer receives a confirmation message, email, or reservation reference.

Information Required

For a reservation, customers should provide:

- Full name
- Date
- Preferred time
- Number of guests
- Phone number or email
- Any accessibility requirements
- High-chair requirement, if applicable
- Relevant allergy information
- Optional special requests

Table Duration

Standard expected table times are:

- 1--2 guests: approximately 1 hour 45 minutes
- 3--4 guests: approximately 2 hours
- 5--8 guests: approximately 2 hours 15 minutes
- Larger groups: agreed during booking

These times are guidelines and may be adjusted depending on demand.

Late Arrival

Tables are normally held for 15 minutes after the confirmed reservation time. Customers expecting to arrive late should contact the restaurant. After the grace period, the restaurant may release the table when demand is high.

Early Arrival

Customers arriving early may be asked to wait until their reserved table becomes available.

Reservation Changes

Changes to the date, time, or party size are subject to availability. A change is not guaranteed until confirmed by the restaurant.

6. Group Reservations

Standard online reservations are accepted for up to 8 guests. Groups of 9 or more should contact the restaurant directly. Large groups may be asked for:

- A booking deposit
- Final guest count in advance
- Advance confirmation of dietary requirements
- A single organizer/contact person
- Agreed arrival time

The restaurant may arrange adjacent tables instead of one continuous table when required by the dining-room layout.

7. Reservation Cancellation Policy

For normal reservations, customers are asked to cancel as early as possible. For reservations requiring a deposit:

- Cancellation at least 48 hours before the reservation: deposit may

be refundable.

- Cancellation less than 48 hours before the reservation: deposit

may be non-refundable.

- No-show: deposit is normally forfeited.

Exceptional cases may be reviewed by management. Repeated no-shows may result in future reservations requiring advance confirmation or a deposit.

8. Walk-ins

Walk-in customers are welcome when tables are available. Reservations receive priority during busy periods. Friday evenings, Saturday evenings, holidays, and local-event dates may have limited walk-in availability. Staff may offer an estimated waiting time, but waiting-time estimates are not guarantees.

9. Payment Methods --- In Restaurant

For customers paying inside the restaurant, accepted payment methods include:

- Cash (EUR)
- Visa
- Mastercard
- Contactless card payments
- Apple Pay
- Google Pay

American Express is not guaranteed and customers should ask staff before ordering if they need to use it. Split payments may be possible. Large groups should ask staff in advance.

10. Delivery Payment Policy

Visa and other bank-card payments are NOT supported for delivery orders. Card payments are accepted only at the physical restaurant. For fictional restaurant-operated delivery, the supported payment method is:

- Cash on delivery

Customers should prepare the correct amount when possible. The delivery driver does not carry a payment terminal. This restriction applies to direct deliveries handled by Brisa do Atlântico. Any independent third-party delivery platform would apply its own payment rules.

11. Delivery Area

Direct delivery is limited to selected areas within Vigo. Typical delivery coverage may include central Vigo and nearby supported zones. Availability depends on the delivery address, distance, standing, weather, traffic, and current demand. Customers must provide:

- Customer name
- Telephone number
- Complete delivery address
- Building/door information when necessary
- Delivery instructions when relevant

An order may be rejected when the address is outside the supported delivery area.

12. Delivery Times

Estimated delivery time is normally 35--60 minutes after an order is accepted. During weekends, holidays, severe weather, traffic disruption, or high-demand periods, delivery may take longer. Delivery times are estimates rather than guaranteed arrival times. If a driver cannot locate the address or contact the customer, delivery may be delayed or cancelled.

13. Takeaway / Pickup

Customers may place an order for collection from the restaurant. Pickup orders should include a customer name and telephone number. Customers should wait for confirmation before travelling to collect an order. Restaurant payment methods may be used when paying at pickup.

14. Accessibility

The fictional restaurant aims to accommodate guests with reduced mobility. Accessibility features are represented as including:

- Step-free main entrance
- Accessible seating area
- Space for wheelchairs at selected tables
- Accessible restroom
- Assistance-dog access

Customers with specific accessibility requirements are encouraged to mention them when reserving so an appropriate table can be prepared.

15. Children and Families

Children are welcome. A limited number of high chairs are available and should preferably be requested during reservation. Children must remain supervised by their parent or responsible adult. Baby strollers are permitted when they can be positioned without blocking emergency exits or service areas.

16. Pets

Pets are not normally permitted inside the main dining room, except legally recognized assistance dogs. Pets may be accepted in designated outdoor seating areas when available and when conditions permit. Customers should ask before arriving with a pet because terrace availability is not guaranteed.

17. Smoking Policy

Smoking and vaping are not permitted inside the restaurant. Any outdoor smoking rules are subject to applicable Spanish regulations and restaurant restrictions.

18. Dress Code

There is no formal dress code. Customers are expected to wear appropriate casual clothing and footwear. Management may refuse entry in cases involving unsafe, seriously disruptive, or inappropriate behavior.

19. Allergies and Dietary Requirements

Customers with food allergies or intolerances should tell staff before ordering. For reservations, allergy information should also be included in the booking notes. The restaurant will make reasonable efforts to accommodate dietary requirements, but a completely allergen-free environment cannot be guaranteed because ingredients may be handled in shared preparation areas. Staff should never guarantee zero cross-contact unless specifically verified by restaurant management.

20. Customer Conduct Policy

Customers are expected to treat employees and other guests respectfully. The restaurant may refuse service or ask a person to leave for behavior including:

- Harassment
- Threats
- Violence
- Deliberate property damage
- Serious disruption to other guests
- Refusal to follow reasonable safety instructions

Management may contact appropriate authorities when necessary.

21. Lost Property

Found items are stored temporarily when practical. Customers looking for lost property should contact customer support and provide:

- Description of the item
- Approximate date and time of visit
- Reservation name, if applicable
- Contact details

Identity verification may be requested before valuable property is returned. Unclaimed items are handled according to restaurant procedures and applicable requirements.

22. Complaints and Feedback

Customers can submit feedback by telephone, WhatsApp, or customer- support email. Useful information includes:

- Date and approximate time of visit/order
- Reservation or order reference
- Description of the issue

- Relevant supporting information

The restaurant aims to acknowledge formal complaints within 2 business days. Complex cases may require additional investigation.

23. Refund Policy

Refund eligibility depends on the circumstances. Examples that may be reviewed include:

- Confirmed duplicate charge
- Confirmed incorrect charge
- Cancelled prepaid service eligible under its booking conditions
- Serious verified problem with an order

Refunds are not automatically provided because of personal preference after food has been prepared or consumed. Approved card refunds are returned to the original payment method when technically possible.

24. Gift Cards

Fictional Brisa do Atlântico gift cards may be used for purchases made at the physical restaurant. Gift cards:

- Cannot normally be exchanged for cash
- Cannot be used for direct delivery
- Must be presented before payment
- Are subject to the validity period printed on the card or

confirmation Lost gift cards may not be replaceable unless purchase details can be verified.

25. Private Events

Small private celebrations and business meals may be requested. Examples include:

- Birthdays
- Family celebrations
- Company meals
- Small team events

Availability and conditions depend on group size, date, required space, and restaurant operations. Private-event requests should be made directly through the reservations contact.

26. Holiday and Special-Date Policy

Opening times, reservation limits, deposits, table durations, and group conditions may differ on:

- Christmas period
- New Year's Eve
- Valentine's Day
- Local festivals
- Public holidays
- Major events in Vigo

Special conditions should be communicated before a booking requiring them is confirmed.

27. Privacy Policy Summary

Customer information is used only for legitimate restaurant operations such as:

- Managing reservations
- Processing orders
- Providing customer support
- Handling complaints
- Contacting customers about their booking or order
- Meeting applicable legal obligations

The restaurant should not request unnecessary sensitive information. Customers may contact customer support regarding privacy-related questions.

28. CCTV and Security

For this fictional scenario, security cameras may operate in designated public areas of the premises for safety and property protection. Cameras are not placed in private areas such as restrooms. Access to recordings is restricted and recordings are retained only according to applicable operational and legal requirements.

29. Wi-Fi

Guest Wi-Fi is available for restaurant customers.

Network: Brisa-Guest

Customers should ask staff for the current guest password. Availability and speed are not guaranteed.

30. Parking and Transportation

The restaurant does not operate a private customer parking facility. Customers may use public parking or other legal parking options in central Vigo. Because parking conditions can change, customers should allow additional travel time before reservations.
